FIX 247 LTD
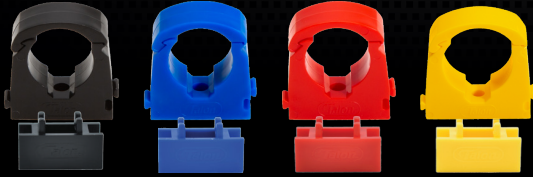

ABOUT US

FIX247 has been a specialist supplier of fixings and fastenings to the trade since it was founded in 2009. It is now a major link in the supply chain for Plumbing and Heating, Gas, Heat Source & Electrical Contractors working on Social Housing, Maintenance, Refurbishment and New Build sites.

The impressive growth the business has produced over the last 14 years can be attributed to the wealth of experience and expertise within the FIX247 team. This expertise allows us to identify new product opportunities, requirements and extensions needed to our existing ranges demanded by our loyal customer base. We then work closely with our suppliers and manufacturing partners here in the UK, Europe and Asia to bring these products to market, this process has made us invaluable as a supply partner to the FIX247 customer.

Our commitment in offering excellent customer service and **FREE next day delivery anywhere on the UK mainland** has meant that the stock we require to hold in our warehouse has grown over the years. We have four branded vans for deliveries in the South West and our courier service delivers direct to site or to our customers stores.

Please contact our sales team or visit our website www.fix247.co.uk for a full list of the companies terms and conditions, privacy policy, modern slavery policy and environmental & sustainability policy

The family atmosphere instilled within the business means the 30 staff enjoy the support and flexibility which makes FIX247 an enjoyable place to work. This is reflected in the way we manage and deal with our valued customers. Each customer has their own dedicated account manager which helps in building a great working relationship, at FIX247 our customers deal with people not a business.

We would like to thank our current and future customers for their support.

We pride ourselves on delivering the highest possible standards of customer service, whilst developing long lasting relationships and a commitment to improving everything we do to benefit the customers we value.

NON-POISONOUS PIPE JOINTING COMPOUND

BOSS™

- Clean and easy to apply, does not set hard enabling easy dismantling for alterations to the pipe work
- Pressure: 20 bar - water
- Colour - buff
- Conforms to BS6956 Part 5

CODE	DESCRIPTION	UNIT QTY.	BOX QTY.
A18103	Pipe Jointing Compound	1	12

FLUE JOINTING COMPOUND

- Finely dispersed material with a stiff consistency
- Asbestos free
- Non-flammable and no fire risk
- Will not harden completely therefore allowing movement without cracking

CODE	DESCRIPTION	UNIT QTY.	BOX QTY.
080205	Flue Jointing Compound 1kg	1	12

KOS FIRE CEMENT

- Ready mixed blend of thermo setting resins and inorganic fillers
- Will withstand high temperatures up to 1250°C
- Suitable for domestic and commercial applications
- Excellent adhesion to fire bricks, blockwork, stone and clayware
- Colour - Buff

CODE	DESCRIPTION	UNIT QTY.	BOX QTY.
080211	Kos Fire Cement 500g	1	18

KOS FLUE CEMENT

- Ready mixed fireproof mortar paste
- Will withstand high temperatures up to 1250°C
- Used for safe installation / jointing of flue liners in domestic properties
- Colour - Buff
- 300ml tube and works in a standard silicone gun

CODE	DESCRIPTION	UNIT QTY.	BOX QTY.
080212	Kos Flue Cement 300ml	1	12

55 PIPE SEAL CORD

LOCTITE

- Pipe Seal Cord
- Premium quality
- Suitable for hot and cold water, LPG, gas, compressed air
- Used for alignment without fear of leakage
- 160m dispenser

CODE	DESCRIPTION	UNIT QTY.	BOX QTY.
070305	Loctite 55 Pipe Sealing Cord 160m	1	10

RAPIDSEAL

ROCOL

- Fluid for threaded sealing up to 3" pipe
- Solvent free
- Meets EN 751-1
- Can replace traditional paste and hemp combinations
- Designed to eliminate loosening due to vibrations

CODE	DESCRIPTION	UNIT QTY.	BOX QTY.
070307	Rocol Rapidseal 50ml	1	10

GAS AND WATER JOINTING COMPOUND

FIX 247

- Suitable for gas installations and water systems
- WRAS approved
- Soft setting non-petroleum based sealant
- 250g

CODE	DESCRIPTION	UNIT QTY.	BOX QTY.
070323	Gas and Water Jointing Compound	1	12

INHIBITOR

- Used in central heating systems
- Multi-purpose treatment
- Protects systems from scale, sludge and corrosion
- Correct chemical formula for industry testing

CODE	DESCRIPTION	UNIT QTY.	BOX QTY.
080041	Heating System Inhibitor 1ltr	12	12

RAPID CLEANSE

- Used in central heating systems
- Can be used with or without powerflush machines
- Removes sludge, flux, debris and scale
- Safe to be used on all materials including steel, copper and aluminium

CODE	DESCRIPTION	UNIT QTY.	BOX QTY.
080043	Power Flush Cleaner 1ltr	12	12

SLUDGE AND FLUX REMOVER

- Used in central heating systems
- One product designed to do several jobs
- Cleans and neutralises sludge, flux, debris, oils and grease
- Suitable in new and old central heating systems

FIRE ALARMS

SMOKE ALARM
KID10Y29RB

CARBON MONOXIDE ALARM
KID5COLSB

SMOKE ALARM

- 10-Year optical Smoke Alarm has a test / hush button for regular testing of the smoke alarm function
- Easy to install and can be used in most locations in the home, particularly in bedrooms and living areas

- It also allows nuisance alarms to be temporarily silenced
- Sealed-in lithium battery that never needs replacing
- Approved to EN 14604, and has a 10-year warranty (including the battery)

CODE	DESCRIPTION	UNIT QTY.	BOX QTY.
KID10Y29RB	Smoke Alarm	1	1

CARBON MONOXIDE ALARM

- Carbon Monoxide Alarm continuously monitors for the presence of deadly carbon monoxide (CO) in the home
- Providing a constant protection against the effects of this deadly gas
- The alarm can either be installed on a wall or just placed on a tabletop or shelf for added convenience

- The 5CO features two LEDs - The Red LED illuminates when the alarm has detected CO in the atmosphere and the Green LED confirms that DC power is present
- The Lifesaver 5CO features a 7-year sensor life with an end of life warning to replace the unit after seven years protection

Solo
Woodscrews

MORE OPTIONS IN STOCK

FOR GENERAL APPLICATIONS

An economic single thread woodscrew designed to be consistently reliable in softwood, chipboard, plastic and some hardwoods.

The Solo range is an ideal fixing for today's tradesman when fixing into low density substrates.

Important Features:

POZI

SQUARE

1 Clean, dry & low humidity environments
CORROSION RATING

CE APPROVED

Available in: **YELLOW** **ZINC**

Different Head Types:
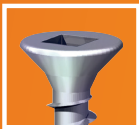

DOUBLE COUNTERSUNK

PAN
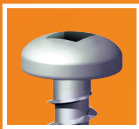

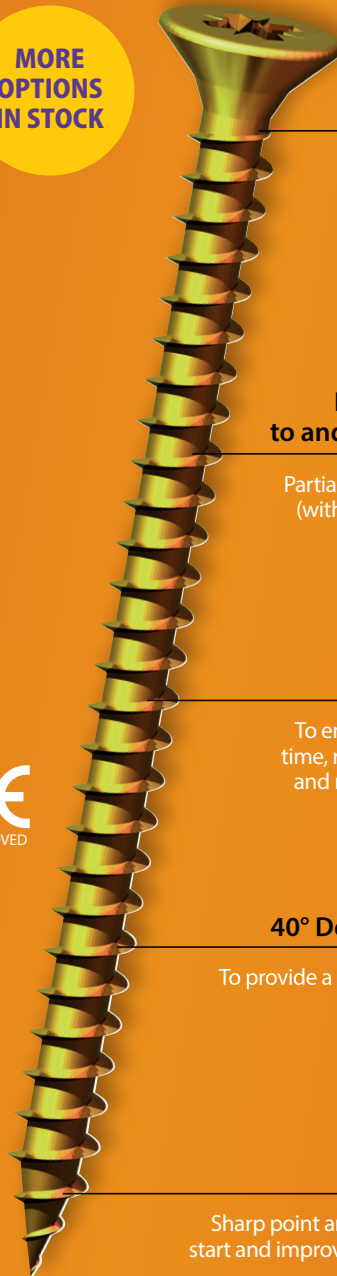

Double Countersunk
Reduces the likelihood of head shear and assists completion of countersinking.

Fully Threaded up to and including 75mm
Partially threaded thereafter. (with 70mm thread length)

Wax Lubricated
To enhance screw insertion time, reduced driving torque and resistance to corrosion.

40° Deep Single Thread
To provide a secure fixing with high pull-out resistance.

25° Sharp Point
Sharp point and single lead for a fast start and improved thread acceptance.

The TIMco Solo woodscrews carry the CE mark in compliance with the Construction Products Regulations (Eurocode 5 EN1995-1-1)

BRIGHT ZINC SOLO WOODSCREWS

TIMCO

Solo Woodscrews

★★★★★ **MOST POPULAR**

- Zinc plated solo woodscrews
- Pozi drive, single threaded, double countersunk woodscrew
- 25° sharp point and wax lubricated for easy start, 40° deep thread to provide a secure fixing
- Can be used directly into wood based materials and into expansion plugs
- Consistently reliable and offer exceptional pull out resistance
- Good resealable packaging

ANTI-SPLIT & FAST START

Double cutting point reduces splitting and drive time, capable of penetrating 0.8mm steel

A firmer fix with reduced drive torque and improved pull-out provided by a serrated cutting thread

Anti-friction thread prevents 'jacking' and rotation of adjoining timbers whilst reducing splitting

Universally accepted POZI® compatible head

Improved holding power from reinforced countersunk neck

Improved countersinking from 6 angled lobes

25% Lower Torque

Firmer Drive

Improved Counter Sinking

Intelligent Design

20% Faster

Corrosion Resistant

Environment Friendly

Protected by

elementech 400
