

# Do fischer nail fuel packs fit all guns?

## Nail fuel pack Compatibility

fischer First Fix Nail Fuel Packs will fit any 35 degree clipped head nailer with the exception of the

PASLODE IM360

PASLODE IM90

These above will accept the nails but not accept the gas as they have a unique connection

PASLODE IM360Ci (won't accept clipped nails either)

To calculate the expiry date (first and second fix)

Just use the top line, first digit (9) year the filling took place this being 2019.

Next 2 digits combined (16) week that the canister was filled.

Always use the first day of the week to be safe.

This being 15th April.

Add 2 years on to this date and the expiry is: 15.04.2021
